

ACENS 2018 Call for Papers

Following the success of previous three annual conferences of Asian Conference on Engineering and Natural Sciences (ACENS) which attracted more than 500 participants around the world, **the 4th ACENS will be held in Osaka, Japan, during February 6-8, 2018.**

ACENS 2018 aims to strengthen the collaboration and provide forum for academicians, professionals and researchers to discuss and exchange their research results.

You are invited to submit your recent research to ACENS 2018. This time we are expecting more than two hundred participants for oral and poster presentation.
